FLU VACCINE INFORMATION

The State of Connecticut is requiring that all children aged 6 months to 59 months receive a seasonal flu shot by January 1, 2012. If a child has never received a flu shot in the past, they must receive 2 doses; if a child has been given a flu shot in the past, 1 dose will satisfy the requirement. Failure to comply with this regulation will result in your child being excluded from KOCO until they receive the proper doses.

A reminder: no one is allowed in the building after 6:00 pm without prior authorization from the Office. If an authorized party is in the building, please do not ask them to let you inside without Office permission.

On Play

I tried to teach my child with books.
He gave me only puzzled looks.
I tried to teach my child with words.
They passed him by often unheard.
Despairingly, I turned aside.
"How shall I teach this child?" I cried.
Into my hand he put the key:
"Come," he said, "and play with me."
